

Your local wildlife needs you

Would you like to make a difference for wildlife in your local community?

Berkshire, Buckinghamshire and Oxfordshire Wildlife Trust (BBOWT) need local volunteers to help with hands-on conservation work at Woolley Firs, along the A4 just outside Maidenhead.

The newly formed 'Friends of Woolley Firs' group will care for habitats that will help school children connect with nature. This includes planting traditional varieties of fruit tree over the winter, and maintaining a newly-excavated pond. The group will also play a key role looking after the arboretum and a chalk grassland bank.

Work parties run on the first Sunday of each month from 10am until 1pm.

To find out more, please contact Rhiannon Harrington, Community Wildlife Officer (Berks) at rhiannonharrington@bbowt.org.uk or on 01628 829574 ext.202.
